

PROJECT REPORT TEMPLATE

INTRODUCTION :

1.1 Overview

Catering is the process or business of preparing food services for clients at remote locations, such as hotels, restaurants, offices, concerts, and events. Companies that offer food, drinks, and other services to various customers, make up the catering sector. A Caterer provides, transports, and prepares food for clients, particularly for special events such as conferences, Weddings, Celebrations, or large gatherings. Catering is derived from the word “cater” which means to provide or to take care of. An event caterer’s job is to provide food for events. Event caterers are skilled professionals who plan and assemble exquisite menus, professionally handle the logistics, and provide excellent customer service.

1.2 Purpose

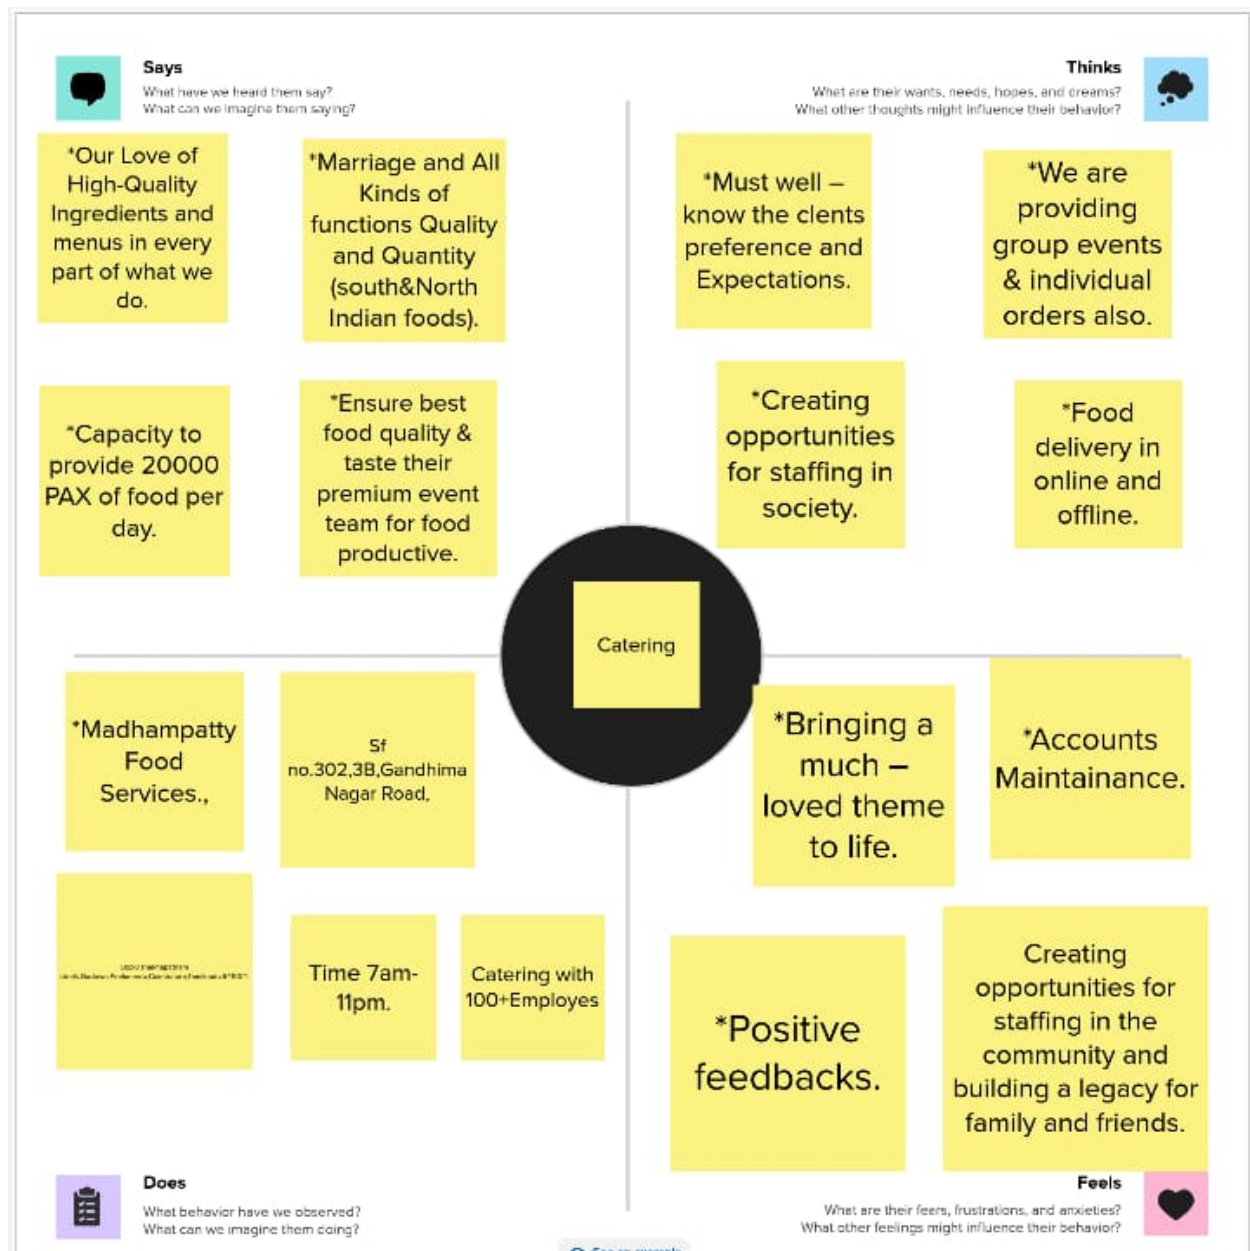

It is a service that delivers, cooks and serves food on site at a client’s location.
